

PROPOSED LEGISLATION

1. **Weather Disaster Relief Act of 2011**

Establish a restricted account in the State Treasury that will provide additional state grant monies to individuals or families based on income eligibility and damage losses.

2. **Flood Emergency of 2011 Bond Authorization**

Authorizes \$250 million for state share of flood-related highway and bridge rehabilitation projects.

3. **Local Abatement of Real Estate Taxes**

Allows local taxing bodies to abate real estate taxes for properties substantially affected by the flood.

4. Capital Budget Act of 2011 for Flood-Damaged Highways

Authorizes a county by county list of highways affected by the flood that need rehabilitation.

5. Capital Budget Act of 2011 for Flood-Damaged Bridges

Authorizes a county by county list of bridges affected by the flood that need rehabilitation.

6. Flood Control and Hazard Mitigation Itemization Act

Authorizes a county by county list of flood control and hazard mitigation projects.

7. Public and Non-Public School Waiver Act

Authority to the Secretary of the Department of Education to waive certain requirements for public and non-public schools that were substantially affected by the flood.
