## Let CLEP help you

Let CLEP® help you forge ahead on your path to a college degree. By earning a qualifying score on any of 33 CLEP exams, you can receive college credit for what you already know.

CLEP is the most widely accepted credit-by-exam program. There are 2,900 colleges and universities that will recognize your comprehensive subject knowledge acquired through course work, independent study, travel, special interest, military service schools or professional development.

**Effective December 11, 2010**, DANTES will not fund retesting on a previously funded CLEP exam. However, service members may personally fund a retest after waiting six months.

Each college sets its own policy regarding which CLEP exams it will grant credit for and how many credits it will award. Contact your admission officer or academic adviser to learn more about the CLEP policy at your institution.
