State Senator Lisa Baker

20TH DISTRICT

Luzerne, Pike, Susquehanna, Wayne, and Wyoming Counties

Senator Lisa Baker is serving her fourth term representing the 20th Senatorial District, which includes substantial parts of Luzerne and Susquehanna counties and all of Pike, Wayne, and Wyoming counties.

She is noted for her accessibility in the district, for her practical and reasonable approach to problem-solving, and for her bipartisan work on constructive legislation. Numerous community organizations and projects have benefitted from her concerted advocacy, including business development and job creation efforts, library expansions, senior housing initiatives, and recreation programs. Working with county and municipal officials, she has helped to secure essential funding for sewer and water system upgrades, transportation priorities, and intergovernmental cooperation efforts.

This session is her second chairing the Senate Judiciary Committee, an important and consequential committee with broad jurisdiction and a high number of bills referred to it. She also serves as a member of the following committees: Aging and Youth, Banking and Insurance, Consumer Protection and Professional Licensure, Labor and Industry, and Veterans Affairs and Emergency Preparedness. These assignments give her the chance to work in-depth on many of the concerns expressed by individuals and groups in the district, to push forward on reform and cost-efficiency measures, and to shape programs opening the door for opportunities that residents are seeking.

In her last term, Senator Baker championed two measures extremely beneficial to citizens with disabilities and their families, one creating ABLE (Achieving a Better Life Experience) accounts to allow them to save for their futures without jeopardizing their benefits, and the other establishing the IWantToWork program to help them enter the job market.

She led the push for changes to the laws and procedures governing the juvenile justice system, in the wake of widespread corruption in Luzerne County. Her efforts on behalf of crime victims resulted in the opportunity to offer in-person testimony before the Board of Probation and Parole when an offender is eligible for release from prison. She also contributed an important bill to a successful bipartisan legislative effort strengthening Pennsylvania's child protection laws.

Her dedication to Pennsylvania's veterans is evidenced by her work to secure funding for veterans' outreach and support programs and her leadership in establishing the Pennsylvania Veterans Trust Fund to help needy veterans and their families. She has supported numerous bills to assist our deployed servicemen and women and veteran-owned businesses and was successful in securing approval of a "Veteran" designation on driver's licenses.
